

Help Salvage Native Plants in Issaquah!

Help other volunteers digging up trees and shrubs from this site scheduled for development. In the afternoon, we'll be potting up the salvaged plants so they can recuperate before going to new locations along local rivers and streams. Once replanted, these native plants will help reduce erosion, shade streams and provide habitat. Port Blakely Communities has generously provided the salvage site.

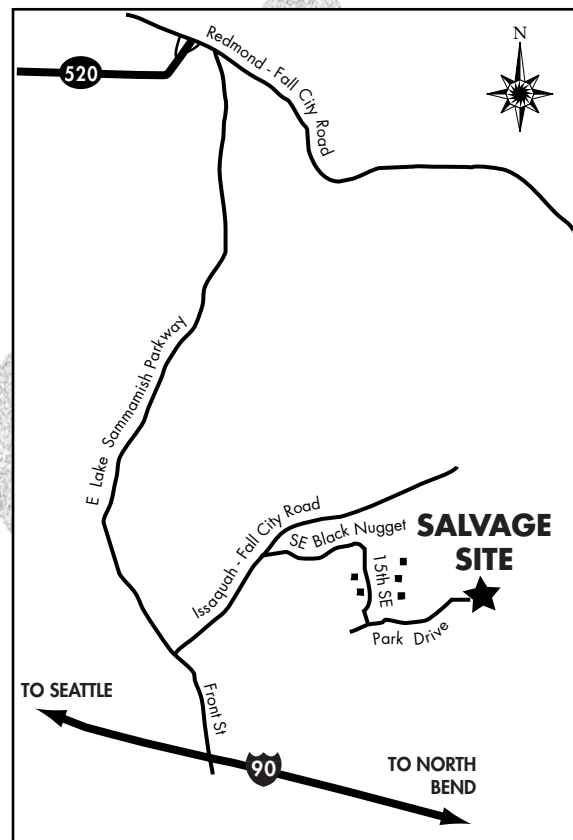

Where: Issaquah Highlands development in Issaquah, Washington

When: Saturday, February 8th, 2003

Time: 9:00 AM to 12:30 PM, Potting from 12:30 until 4:00 at Holding Facility

Directions to Salvage Site: From I-5 or I-405, take I-90 east to the Front Street exit in Issaquah. Take your first left and then turn right onto Issaquah-Fall City Road. Proceed up the hill to the intersection with SE Black Nugget Road (light). Turn right on SE Black Nugget Road and continue following the main road after it changes to 15th Ave NE. Turn left at Park Dr. and proceed up the hill. Watch for signs.

Note: Volunteers under 16 must be accompanied by a parent or guardian.

Not a morning person? Volunteers also needed at our Native Plant Holding Facility from 12:30 until 4:00 to help pot up the salvaged plants. See back of flyer for directions.
